

# fine wine packaging

Quality glass bottles from national  
and international suppliers with  
capacity range from 187ml to 27Lt  
plus closures, cartons, dividers  
and everything in between.

# A world of choice...

At Cospak, we understand the importance when it comes to the selection of the perfect bottle and packaging supplies for your winery.

We not only offer the widest range of wine bottles within the area but an extensive line of options when it comes to colour, shape, capacity, finish and closure style and as an addition, we can also personalise your bottle with engraving or embossing services.

We pride ourselves on being able to offer you the full package. 'From concept to reality®' is one of our defining trademarks, **why not design your own bottle?** One of our specialists will be happy to discuss all your business requirements and expectations and work together with different set-ups until you are satisfied with the right look and feel for your unique packaging solution.

FROM  
*concept*  
TO  
*reality*®

From bottles to closures, dividers, carry packs, drums, plain and printed cartons and pallets, here at Cospak we can help you to find it **all in one place**.
